

**Eddie's Hang-Up Display Ltd.** is a one stop shop for all your dispensary needs. We have the **experience** and product range necessary to **open a cannabis retail store** from scratch or redesign your existing space. In this guide you will learn about the **budget** required for opening a dispensary to meet your needs, the **merchandise and displays** required, and the estimated **timeline** from inquiry to opening.

## BUDGET

How much will it cost for fixtures, display accessories and operational supplies? Compare the cost of display systems and configurations. Use the cost calculator to estimate the cost of a complete fit out.

## MERCHANDISING

Which displays to use and how many of them you will need. Use the experience gained from opening hundreds of cannabis dispensaries and retailers.

## PRODUCTS

Solutions for flower, edibles, extracts and accessories. Choose from stock and custom solutions.

## TIMELINE

What information is required to determine how much time it will take from inquiry to opening. Design to delivery can take as little as 1 to 2 weeks.

Don't forget to include all the necessary physical distancing tools
