

**simulated security cameras**

Reduce shoplifting by making potential shoplifters believe they are being watched on camera. Genuine looking with blinking lights.

These cameras feature motion detection sensor, motorized pan movement and activation light.

Equipped with a motion detector that triggers a red indicator light.

plastic stanchions

Designed for effective medium duty crowd and traffic control indoor or outdoor.

199304 black

- 2.5" diameter pole; 14" base
- assembled stanchion weighs 2 1/2 pounds or 6 1/2 pounds when base is filled with sand
- overall height is 40"
- made from high density polyethylene containing UV inhibitors, fade resistant, rustproof and will not require painting.

199306 black

1 1/2" light duty barrier plastic chain. Strong and durable with UV protectant added to resist fading. Ideal safety barrier for use with crowd stanchions. Chain is equivalent to the metal chain industry standard #6.
