salesman's bags

Manufactured in New York's garment district, these canvas garment bags are known for their long lasting durability and quality metal hanger-lock hardware. Unique patented 15" locking system clamps garments tight without creasing or folding. The worry free clamp can be secured with seals or padlocks. Ideal for wholesale clothing agents and warehouses for transporting and protecting garments during transit and storage. See page 7 for compatible chrome salesman's hangers.

Jiffy steamers

199500

The Jiffy J2 model is quite likely the best selling steamer in North America. It features a removable hose hanger, contour handle grip and heavy duty wiring, as well as a 1 gallon durable plastic water bottle. Use it on clothing, drapery, furniture and any fabric to remove wrinkles quickly and easily. Steamers remove wrinkles while being gentle on the fabric. Your J2, with proper maintenance, will last through years of demanding use.

199540

If you steam for hours each day, the Jiffy J4000 model may be the best choice for you. The J4000 features an easy to read water level gauge – which also indicates sediment build-up, cast aluminum housing unit for added durability, corrosion-proof stainless steel boiler tank – no water lines to become clogged, dual thermostats for steam in seconds. A safety wiring feature turns unit off temporarily when it runs dry.

199575

The Esteam® travel steamer is a hand-held portable steamer perfect for pressing suits, dresses, or any fabric garment with the gentle power of steam when on the go. The Esteam® packs conveniently into a suitcase or carry on bag, taking up no more than a lightweight 10½" by 5". The Esteam® is great for anywhere that space is at a premium and with similar output of steam as the J2 model.
