

VersaMax™

Eddie's VersaMax™ Shelving System gives you the flexibility to economically configure your floor and perimeter wall fixtures to meet your exact needs. Check Eddies.com for all VersaMax™ component parts, an extensive collection of customizable units, and a broad range of display accessories. You'll also find a comprehensive colour brochure to download. Need help with VersaMax™? Our sales staff can help you design the perfect floor or wall configuration.

standard colour options

VersaMax™ metal component stocked powdercoat finishes.

pewter grey

• We can also help you with custom metal finishes.

Stocked back panels for VersaMax™ floor units.

maple melamine natural corribord

• Back panels are also available in a maple melamine slatwall variant for added versatility. Please inquire for pricing.
