steamers

199475

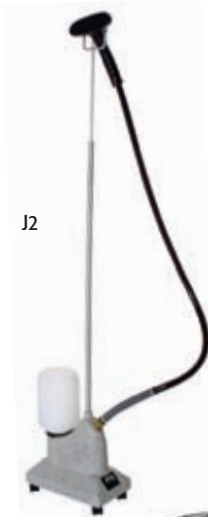

The Reliable™ G4 commercial steamer includes a 1 gallon tank, automatic shut-off, easy roll casters and a removable brush built into the steam head.

G4

199500

The Jiffy J2 model is quite likely the best selling steamer in North America. It features a removable hose hanger, contour handle grip and heavy duty wiring, as well as a 1 gallon durable plastic water bottle. Use it on clothing, drapery, furniture and any fabric to remove wrinkles quickly and easily. Steamers remove wrinkles while being gentle on the fabric. Your J2, with proper maintenance, will last through years of demanding use.

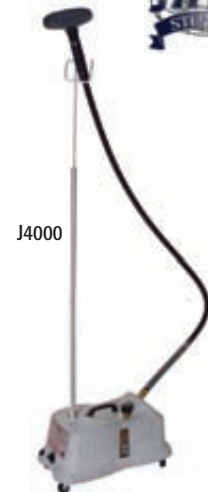

J2

199540

If you steam for hours each day, the Jiffy J4000 model may be the best choice for you. The J4000 features an easy to read water level gauge – which also indicates sediment build-up, cast aluminum housing unit for added durability, corrosion-proof stainless steel boiler tank – no water lines to become clogged, dual thermostats for steam in seconds. A safety wiring feature turns unit off temporarily when it runs dry.
