

mini-ladder & accessories

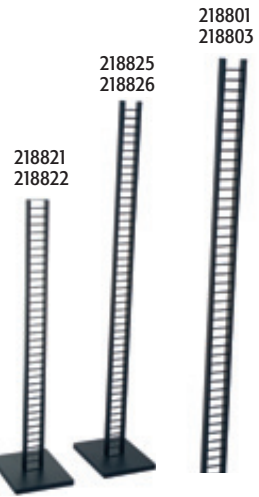

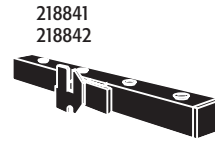

Our mini-ladder system offers a contemporary look at an affordable price. The rungs of the ladder are designed to accept almost any grid accessory. The wall ladders can be mounted directly to the wall or used with a top cap (anchor bracket) as shown. Call our sales department if you require help on planning and pricing your specific application.

Combine the mini-ladder wall system with the mini-ladder floor standing units and create imaginative store designs so necessary in today's competitive retail environment.
